

Family Portraits / Standard Portrait

Jboriginals photography can create your breath taking portraits anywhere in the county. One of our special features that we offer is the ability to go on location with the studio. We can bring the backgrounds and studio lights to you, your work or we can photograph in the natural surroundings of your own home.

Family / Standard Portrait (Digital)

\$225.00

This package gives you the flexibility to do what you want with the photos taken. You will be given a photo CD with 20 edited photos to do what ever you want with. You can print the photos out at home or the photo lab of your choice as many times as you like. Digital photos can be loaded to your Facebook and Myspace internet web pages. If you want to also get custom prints you can purchase them through the online A La Carte.

You get the following in this package.

- 1-3 different poses / outfit changes.
- Inside or outside poses of your choice.
- Entire edited photo shoot 300 DPI on (1) CD.
- 2 hours of post production editing (spotting, color correcting, sharpening, sizing)
